FOR IMMEDIATE RELEASE

2020 Fourth Avenue Street Fair is canceled.

This was a heartbreaking decision as we have spent the last several weeks monitoring all the reliable information related to our region and relying on our local health department professionals to determine the best course for the 100th Fourth Avenue Street Fair.

With all the other actions being taken throughout our community and Arizona by government and other organizations we believe we are acting in the best interest of everyone who is impacted by our biannual Street Fair.

We understand this is a major disappointment for the hundreds of artists and the thousands of folks who look forward to this event. While this event is canceled, we remind everyone that the 2020 December Fair is scheduled for December 11, 12 & 13.

Please contact Fred Ronstadt at (520) 624-5004 or fred@fourthavenue.org if you have any questions.
