

# HISTORIC **FOURTH** AVENUE

## Top 10 Things You **MUST** and **MUST NOT** Do at The Street Fair!

1. You **MUST** weigh down your tent. It is a requirement that each tent leg be weighed down with at least 40lbs minimum.
2. You **MUST** be kind and courteous to the Fire Marshall, all Event Staff, and your customers.
3. You **MUST NOT** leave/pack up your booth space early without the permission of Fair staff.
4. You **MUST NOT** use a gas-powered generator. ALL generators, if approved, must be battery operated.
5. You **MUST** smile and enjoy your time at the Fourth Avenue Street Fair.
6. You **MUST NOT** bring in your own ice. ALL ice **MUST** be purchased through FAMA.
7. You **MUST** move your vehicle after you unload/load it during load-in and load-out, let's be courteous to those around us.
8. You **MUST NOT** stand or place anything outside of your booth space. All spaces are precisely measured based on what was purchased by the Vendor. Stay in your zone.
9. You **MUST NOT** sub-lead your booth space.
10. You **MUST** plan ahead and be prepared for anything.
